KENTUCKY SMALL BUSINESSES – NOW is the time!

If you apply for the Kentucky Small Business Tax Credit by **November 20, 2015**, you can be approved in time to claim the credit on your 2015 taxes. The process is easy, and the result puts dollars back into your business.

Tax credits range between \$3,500 and \$25,000 and require that a company has created and sustained (for 12 months) at least one new full-time job (at \$10.88/hr or more) and has purchased at least \$5,000 of qualifying equipment or technology.

HOW DO I APPLY?

Visit **KyTaxCredit.org** for complete details, or call the Office of Entrepreneurship in the Kentucky Cabinet for Economic Development at 800-626-2250.

The Cabinet's services, assistance, and activities are available to all without regard to race, color, gender or national origin.
